**T & Cs**

**Data Protection. Consent to data transfer and discharge from the duty of (medical) confidentiality.**

1. I hereby give my consent for my personal data and treatment data to be collected, stored, processed and used for my own medical and treatment purposes. I also agree that any data, which are necessary for invoice processing (e.g. name, date of birth, address, date of treatment, service codes, invoice sums, test numbers, treatment documentation) will be disclosed to "Academy of Nutritional Medicine (AONM), St. John's Innovation Centre, Cowley Road, Cambridge CB4 0WS" and "ArminLabs I Medicum Bad Aibling MVZ GmbH, Zirbelstrasse 58. 2nd floor, 86154 Augsburg, Germany" for the purpose of the creation of invoices or for collection of receivables or – if necessary – for judicial enforcement. In this respect I release my treating practitioner, AONM and ArminLabs and their employees from their obligation of (medical) secrecy. I also agree that the laboratory results, which are obtained within the scope of this laboratory order may be disclosed to my treating practitioner. This declaration of consent can be revoked at any time with effect for the future. These conditions are necessary for parties to be able to carry out the testing service.

2. I consent to ArminLabs collecting, processing and using anonymised personal data relating to me in my laboratory test report, now and in the future, for research purposes, methodological development and quality assurance. In this respect, I release the physicians treating me and any employees bound by confidentiality from this obligation to the extent necessary.

Please indicate consent or otherwise for point 2.                      **Yes**                      **No**

**Terms and Conditions for Ordering: Medical and Diagnostic information**

AONM cannot provide a medical diagnosis. AONM makes no claims whatsoever to be able to diagnose or treat medical conditions but to provide tests which could help practitioners make a clinical diagnosis. As a condition of ordering these tests, patients and practitioners accept that AONM has no liability for any results provided
